About the Peninsula Humane Society & SPCA

The Peninsula Humane Society & SPCA (PHS/SPCA) is a local, private, non-profit charitable organization dedicated to animal welfare. Among our major programs, PHS/SPCA adopts fully 100% of the healthy dogs and cats in our care and also, through our charitably funded Hope Program, makes well and finds homes for thousands of animals who come to us sick, injured, or too young to survive without supportive care. PHS/SPCA is truly an open admission shelter, not only accepting many pet animals who might be refused at other shelters, but also taking care of injured and orphaned native wildlife from San Francisco through San Mateo and the northern half of Santa Clara County. Our work means 6,300 lives saved each year. Please visit www.phs-sPCA.org to learn about all our programs and services, ways to help our animals and special events.
