

We cannot possibly list all the items we can accept, but do want to list those items we **do not accept**, below, for your convenience. We know you want your donation to help the animals. The items we do not accept are ones that have proven not to sell at our store. They take up space and eventually require that we take them to the dumps and use donors' funds to pay for disposal. Thanks for thinking of the animals! **PENINSULA HUMANE SOCIETY & SPCA**
