Time Commitment:
8 hours per day
3 days per week

Term 1: April 29th – July 22nd
Term 2: May 20th – August 12th
Term 3: June 4th – August 26th
Term 4: July 8th – September 30th

COME LEARN about the 3,500+ orphaned, sick and injured wildlife we receive every year and how to care for them. Along with providing basic daily care for the animals; in this internship you will help staff with performing physical examinations, writing up treatment plans and completing designated medical tasks. You will also learn about topics including, but not limited to, the animals' natural history, wound management, disease transmission and blood analysis. Whether you're a bird nerd or mammal geek, this animal care internship has it all.
