Wild and Domestic Animals Worksheet

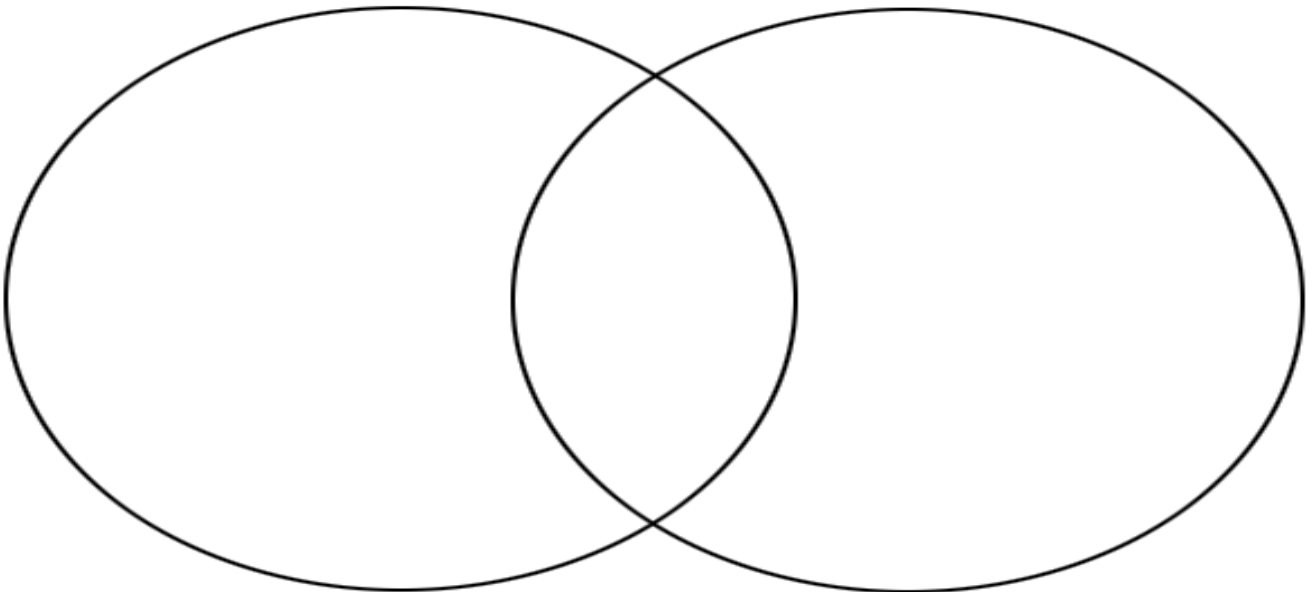

Name: _____

Date: _____

In the venn diagram below, name some differences and similarities between domestic and wild animals.

Domestic

Wild

What is the difference between a tame animal and a domestic animal?

In your own opinion, do you think a wild animal (tamed or not) would be happy in captivity? Please explain.

In your own opinion, do you think a domesticated animal could survive on its own in the wild? Please explain.
