# WILDLIFE CARE INTERNSHIP 2023

**Find out about the 3,500+ sick, injured and orphaned wildlife we care for every year.** Interns will learn about the care and feeding of native wildlife and help staff in performing physical examinations, writing up treatment plans and completing designated medical tasks. Interns will find out about wound care and management, disease transmission and blood analysis. Whether you are a bird nerd or a mammal geek, this animal care internship is for you.
