# DEAR FELLOW ANIMAL LOVER

A MESSAGE FROM PRESIDENT ANTHONY TANSIMORE

I want to start by thanking you for taking the time to read this Spring edition of PawPrint. The Spring edition, also known as our annual report, is a particular favorite of mine because I get to share with all of you statistics that highlight the work we've done in the past year. In 2023, we saw growth in the number of people touched by our humane education programs, in the number of surgeries at our spay/neuter clinic, and in the number of volunteer hours that were logged. Across the board, these high numbers exemplify how committed we are to serving pets and wildlife in San Mateo County and other surrounding counties. I invite you to learn more about our impact on pages 5 & 6 that is a result of our hard work and dedication to continue to build healthy relationships between people and animals.

Although the work that PHS/SPCA does can be difficult at times, it is so rewarding when a family welcomes a pet into their home or when wildlife is rehabilitated and released back to their natural environment. One such story is about a kitten that had a challenging start in life, and we were there to help him. We gave him constant care in our Kitten Nursery, performed a neuter surgery, and eventually found him his forever home. Another story that comes to mind is of a Northern Pygmy-Owl that was brought to us by Redwood City residents. Staff members in our wildlife department partnered with local fish and wildlife biologists and Midpeninsula Regional Open Space District to find the best place to release the tiny yet feisty bird of prey. Thanks to the generosity and engagement from you and other community members, we can continue to tell heartwarming stories and make meaningful impacts in the lives of both animals and people.

Speaking of generosity, this annual report edition is also a place where our organization can express our sincere gratitude for the many individuals who contributed to us in 2023. We couldn't serve the community as well as we do without your support. Being an open-door shelter that accepts all animals brought to us regardless of age, species, or size requires a lot of time and resources, and we are incredibly thankful to all of you. Your support is vital to the work that we do, so it is my wish that you enjoy this PawPrint and are inspired by all that was accomplished in 2023.

Thank you!

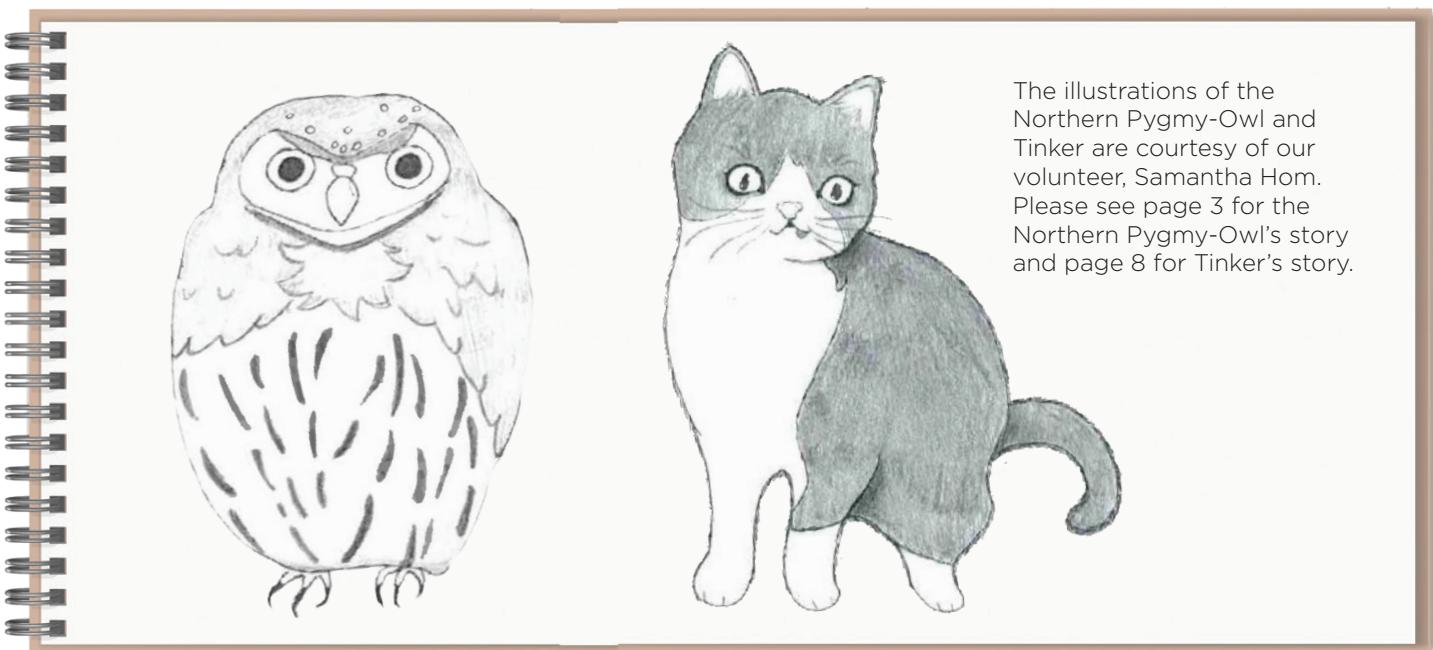

Sincerely,

Anthony Tansimore, President

## Memorializing A LOVED ONE

The Peninsula Humane Society & SPCA strives to enrich the human-animal bond. When a beloved pet passes, that love does not fade. Our Memorial Wall, displayed at our Lantos Center for Compassion in Burlingame, is a way to commemorate the connection made with an animal who has passed on. Any donation of \$150 or more made in memory of a loved one is eligible for addition to the wall.

If you would like to make a memorial gift, please contact Evelyn Turner at (650) 340-7022 ext. 348 or [eturner@phs-sPCA.org](mailto:eturner@phs-sPCA.org). Alternatively, a wall gift may be made online at [www.phs-sPCA.org/donate/gifts](http://www.phs-sPCA.org/donate/gifts).

# STOWAWAY FOUND ON A CAMPING TRIP

## ELUSIVE NORTHERN PYGMY-OWL RETURNS HOME

Our Wildlife Care Center receives many different species of local wild animals in need of care and treatment every year. In 2023, we cared for 153 different species of animals. There are many that our wildlife rehabilitation staff are accustomed to seeing year after year. However, every now and then we receive an animal we don't immediately recognize. On a Sunday evening, a small owl was brought to us by a concerned member of the community. The family had rented an RV for a weekend camping trip and were surprised to find a tiny stowaway when they arrived at their campsite. They were unsure how the owl got inside the RV or what its condition was. They gave the owl space and it remained inside the RV during the duration of their trip. When they returned to San Mateo, they immediately brought the owl to us.

During the owl's intake examination, staff determined it was the elusive Northern Pygmy-Owl. Overall, the owl was in good shape, alert and feisty, and perhaps a little grumpy from its impromptu vacation. Before releasing a raptor back to the wild, we ensure that it is the proper weight, healthy, and able to fly well and catch its own food.

**THESE ITTY-BITTY RAPTORS ARE USUALLY 7-7.5 INCHES TALL, ABOUT THE SIZE OF A ROBIN OR SPARROW. Despite their small size, they are ferocious hunters and can catch prey much larger than themselves! They hunt small songbirds, small mammals, and occasionally insects by waiting and watching from a perch for their prey to come near them, then quickly pursuing them.**

Within a few days, the owl was healthy and ready to return to the wild, but we needed to determine the best place for release. The RV was rented from San Mateo, but there was no way to know exactly

Northern Pygmy-Owl in our Wildlife Care Center

Northern Pygmy-Owl returns to the wild

where or when the owl hopped in for a ride. Since we are permitted by the California Department of Fish and Wildlife to provide our wildlife rehabilitation care, we started with a phone call to them. Their biologists referred us to staff at the Midpeninsula Regional Open Space District, and we worked together to determine the appropriate area at their Preserve for releasing the owl. Nine days after entering our care, the little owl was released and happily flew into the woods where it belongs. ▀

# KINDNESS IN THE COMMUNITY

## A SPOTLIGHT ON COMMUNITY GIVING

**A** special thank you to some of the incredible businesses and individuals who gave back to our shelter animals in 2023!

### NATIONAL CHARITY LEAGUE

We always need large towels and the National Charity League, Inc., Crystal Springs chapter delivered! They planned a towel drive and dropped off an entire carload for our shelter animals. Thank you!

### PUTNAM SUBARU OF BURLINGAME

Our local Subaru retailer made a donation for every dog or cat adopted in the month of October to celebrate Make a Dog's Day. Thank you, Putnam Subaru!

### AMERICAN MEDICAL RESPONSE (AMR)

Our Rollins Road neighbors, American Medical Response (AMR) – San Mateo County field crews raised \$845 for our shelter animals! Their adorable therapy dog in training, I.V., helped staff deliver the donation.

### BOY SCOUT TROOPS 175 AND 61

This year, the Boy Scouts have shown a lot of passion for our animals. Rick Kurokawa and Troop 175 crafted olive-green wooden cat hidey boxes (above) for our adoptable shelter cats. Emerson from Troop 61 brought together troops, friends, and family to make blankets, chew toys, and two wooden playhouses for the rabbits and guinea pigs (below). His troop also generously raised money to donate more toys, treats, and hay for the small animals, on top of the supplies needed for the project.

Donations to our shelter can be made at any time. If you or your company or business is interested in hosting a fundraiser for PHS/SPCA, please contact Special Events Coordinator Tatiana Nori at 650-340-7022 x375 or [Tmnori@PHS-SPCA.org](mailto:Tmnori@PHS-SPCA.org).

# A KITTEN ON THE MEND

## HOW THE HOPE PROGRAM HELPED TINKER HEAL AND FIND A HOME

In 2023, we took in thousands of stray pets that were found in San Mateo County. One stray who was brought to our Coyote Point Shelter by a member of our community happened to be a tiny gray-and-white kitten. This kitten, who later became known as Tinker, was immediately scanned for a microchip in hopes of reuniting him with his family, but none was found. Because he was so young and motherless, Tinker was transferred to our Kitten Nursery, where he began his story of healing and finding his forever family.

Tinker arrived at our Kitten Nursery on June 6th. Upon meeting Tinker, veterinary staff evaluated him and found that he appeared to be in overall good physical condition. A few days later, a volunteer noticed that the shape of Tinker's head had changed from earlier that morning and brought it to the attention of one of our veterinarians. It was confirmed that Tinker's forehead did look slightly swollen, and we began to monitor him even more closely. A day later, Tinker's eyes began to swell too, and the bump on his head grew larger and squishier. Shaving around the area revealed a laceration that was hidden underneath Tinker's fur. The wound was immediately flushed out with saline and drained of infection. Tinker's treatment plan also included antibiotics that he took for weeks. Tinker was also outfitted with an itty-bitty cone to keep him from rubbing and irritating his head.

Although all the medical treatment wasn't fun, and Tinker wasn't a fan of the cone, he was a jovial, lovable kitten. A volunteer in the nursery described Tinker as "a runner, jumper" and called him the "sweetest boy." Various volunteers noted that even when he wasn't feeling well, Tinker still purred.

In August, after his neuter surgery, Tinker's world became so much bigger when he graduated from the Kitten Nursery and became available for adoption! While waiting to be adopted, our cat TLC volunteers experienced how "friendly and gentle" Tinker was and were entertained by his purring talents. Tinker put so many smiles on our staff and volunteers' faces as he waited patiently for a home. Then, in September, the time had come when Tinker met his forever family!

Tinker recovering in the Kitten Nursery.

Tinker in his new home!

Tinker not missing a second of the game on TV.

Tinker, now named Tako "because he likes to snuggle up like an octopus," has settled into his new home and is a part of a family who adores him. He has even managed to find a great lounge spot to watch TV. Tinker's happy ending with his family was made possible by you, through our donor-funded Hope Program, so on behalf of Tinker and so many others, thank you! ■

**TIMOTHY** enjoys lounging on the couch with his family and watching TV, getting treats, and plenty of attention. He's also enjoying bonding with his bearded dragon brother!

**HAMLET** (right) was initially scared, but with training and love from his new family (humans and fellow rats), he has become much more relaxed and is a totally different rat now. He loves snuggling up to his bestie and eating treats.

"We're creating a safe space for **CALLISTO** to explore the world, play, and receive lots of affection. She goes with us to the forest and to the beach."

# Home Sweet Home

...From the PHS/SPCA Adoption Mailbag

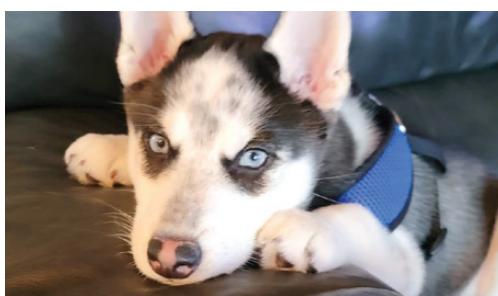

"When we first adopted **HOOTIE**, he was shy and unsure of most things, but very quickly he opened up into being a wild and silly boy who makes us laugh so much! We learned that he talks very loudly!! We are so in love with Hootie and happy to have him as our newest family member!"

**EKANS** is wonderful with the kids! He was all curled up in my son's hands while we watched a family movie recently."

**SHADOW** was recently adopted and loves his big sister, **FLORA**, who is also a PHS/SPCA alumni.

**KISKA** (re-named after an island in Alaska) has moved to Coeur d'Alene, Idaho and is living her best life where she can play in the snow!

**VELENTINO** enjoys watching football on TV from my lap and exploring the outside from the safety of his catio."

"Most of the joy of the past few months has been experiencing "firsts" with **MOLLY** - her first snow, first beach day, first hike, first camp, and first pupuchinos are some of the highlights. Best part? Everywhere she goes she makes new friends, and she's the biggest cuddle monster."

**TURKEY**, the three-legged cat, is celebrating his one-year adoptiversary! He's grown so much since he was adopted and still has no problem getting around, climbing, or jumping. His family is so happy with his progress and he's very loved.

**YUNA** is so loved and I couldn't thank you enough for bringing her into my life!"

"We absolutely love **COOKIE** and are thrilled to have her in our family. She's incredibly gentle and sweet, especially with my daughter."

**OZZIE** is loving his new home by the beach with his furever family! He has graduated from Puppy 1 training class and is signed up to continue his training.

"We love **CILANTRO** and **LETTUCE** more and more each day!"

"We adopted **CALLIE JANE** from PHS/SPCA in March 2019. She had been a resident there for almost two years. She was shy, nervous, and defensive from her previous situation, but the PHS/SPCA never gave up on her, and I'm so grateful that they didn't. She is now happy, sassy, and bossy while ruling over everyone in her house."

**JEEMA** fits right into our family and his mischief keeps us laughing every day! He is a one-of-a-kind, limited edition, designer rescue and the perfect companion to our dog McDao. Their personalities are very similar, and they play all day long."

**MINNIE** is making herself right at home!

"With the delicious motivation of string cheese, **APPA** quickly learned sit, paw, wait, down, and play dead all in the matter of an hour! One of her favorite things to do is lie in the wet grass."

**YOUR NAME STAYS WITH US** Please know that while PHS/SPCA never sells, trades or in any way exchanges the names and contact information of its supporters and members with other charities or for-profit businesses, many other businesses do in fact offer such information. PHS/SPCA purchases names of possible donors from other charities and for-profit businesses, but that's always a one-way street. For more info, contact Lisa Van Buskirk at 650-340-7022 ext. 327, or Lvanbuskirk@PHS-SPCA.org.

## A Gesture OF FAITH

Every day, furry, scaled, and feathered members of our community are brought to PHS/SPCA in need of assistance, and we are here to help. This level of commitment is possible because of our sustaining monthly donors. Our Faithful Friends monthly giving program allows us the resources to provide essential care to homeless animals in need. Monthly donors are important members of PHS/SPCA who we like to recognize in our PawPrint magazine, see page 14, (but you have the option to remain anonymous) and honor at our annual Faithful Friends reception.

Become a monthly supporter by contacting Evelyn Turner at (650) 340-7022 ext. 348 or [eturner@phs-sPCA.org](mailto:eturner@phs-sPCA.org).

## FOREVER FRIENDS LEGACY SOCIETY

The Forever Friends Legacy Society is a program to honor those who remember PHS/SPCA in wills, trusts, and other types of planned gifts. These gifts ensure the protection of many shelter animals for years to come. Many, many thanks to our dedicated Forever Friends. To learn more or become a member, contact Lisa Van Buskirk: 650-340-7022 ext. 327 or Lvanbuskirk@PHS-SPCA.org.

# ANNUAL PHS/SPCA

# *Spring*

# Cleaning

## CHECKLIST:

Spring is just around the corner and the Peninsula Humane Society & SPCA is here to help you clean out your closet the sustainable way! Our fabulous Pick of the Litter thrift store is entirely run by PHS/SPCA staff and volunteers with all proceeds going back to the animals we care for. Located in downtown Burlingame, the Pick accepts a variety of items including clothing, housewares, books, animal clothing...the list goes on! Want to know more about thrifting with us? Visit [www.PHS-SPCA.org/pick](http://www.PHS-SPCA.org/pick) to learn more.

Thriftin is a great way to give back, but we also accept towel and blanket donations at our shelter locations. These items are used to care for our animals on a regular basis, so if you're looking to recycle your linens, we are happy to put them to good use! For shelter drop offs, stop by anytime during our open hours, and our staff can assist you. If you aren't sure about an item you wish to donate, please feel free to contact our Donor Relations Associate, Evelyn Turner at (650)340-7022 ext. 348 or [eturner@phs-spca.org](mailto:eturner@phs-spca.org).
