Summary: Responsible for the daily intake, initial medical assessment, and transfer of wildlife from satellite intake facility to Saratoga.

Essential Duties and Responsibilities include the following. Other duties may be assigned.

- Ability to appropriately handle and restrain a wide variety of local wildlife including small songbirds, seabirds, waterfowl, raptors, mammals, reptiles, and amphibians.
- Assess incoming wildlife by performing physical examinations to determine suitability for rehabilitation.
- Correctly identify incoming animals to ensure proper food and housing prior to transfer.
- Provide needed stabilization prior to transfer according to established policies and protocols.
- Provide humane care for all wild animals in care.
- Perform euthanasia in accordance with PHS/SPCA policies and state and federal laws. Perform decapitations when required for county health department.
- Maintain a clean and sanitary work area in all workspaces.
- Maintain department equipment in good working order. Report items for repair/replacement as needed to appropriate supervisory staff.
- Maintain proper paperwork, including animal medical records, according to PHS/SPCA policies and procedures.
- Dispose of deceased animals.
- Maintain a positive, educational approach with a willingness to listen when dealing with the public.
- Perform other duties as assigned to ensure a positive public image, enhance the operation of the organization, and improve quality of care for animals.

Supervisory Responsibilities:

Training, supervising, and giving direction to department volunteers.

Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Upon hire, must pass a background check. The individual must also possess the ability to manage the emotional aspect of end-of-life services and humane euthanasia, and support staff in high-emotion circumstances. Able to multitask and work efficiently and calmly under stressful circumstances. Must be able to work well in a team environment and have a professional demeanor. Must have a flexible schedule and the ability to work on weekends and/or holidays as needed.

Certificates, Licenses, Registrations

Certified in euthanasia within 6 months of employment.

Education & Experience:

High school diploma or general education degree (GED); or six months to one-year related experience and/or training; or equivalent combination of education and experience. Some college with a background in biology or a related animal science is desirable. Knowledge of local wildlife including natural history requirements. Must be able to correctly identify incoming wildlife.

Language Skills:

Ability to read and comprehend simple instructions, short correspondence, and memos. Ability to write simple correspondence.
