DEAR FELLOW **ANIMAL LOVER**

A MESSAGE FROM PRESIDENT ANTHONY TANSIMORE

The seasons and cycles of each year tend to announce themselves with great fanfare to our organization. With spring come hundreds of birds and other wildlife needing our care and attention. It is truly rewarding to witness the staff here rehabilitate and release wildlife to their natural habitat. We are so excited to announce that we have now completed the transition of our main wildlife operations to the new Wildlife Care Center in Saratoga. We are one of a handful of humane societies and SPCAs worldwide caring for sick, injured, and orphaned wildlife. I am so proud of the work performed by our Wildlife staff. A foundation generously built the state-of-the-art facility, and selected us to operate it. They are also providing the ongoing funding required for wildlife rehabilitation at the center.

You can read more about the Wildlife Care Center in this issue of PawPrint on page three. I hope you will come for a walk along the educational path in a beautiful setting amongst the trees. Injured wildlife can still be dropped off at our Burlingame and South Bay locations as well as the new Saratoga center. I am moved by how very caring local residents are with our wildlife here in the Bay Area, taking the time to bring us orphaned and injured wildlife they encounter.

I am so pleased to share this Annual Report issue of PawPrint with you. It highlights some milestones we've achieved together in 2024, and you get to see just how many lives you've changed! Your support is vital to our work. Thank you for showing up over and over for the animals. I hope you are as inspired as I am to see all that we accomplished together.

Sincerely,

Anthony Tansimore, President

STATE-OF-THE-ART WILDLIFE CARE CENTER OPENS

DOCENT TOURS ARE NOW AVAILABLE FOR SCHEDULING

The Peninsula Humane Society & SPCA is a rare bird in our field! We're among just a handful of humane societies and SPCAs worldwide that extends its caring services to wildlife. The new Wildlife Care Center in Saratoga provides comprehensive rehabilitative care for sick, injured, and orphaned native wildlife. This new facility came about when a private foundation consulted with our experts while building it, selected us to operate the center, and provided the ongoing funding required for wildlife rehabilitation.

This special program treats wildlife and eventually releases them back into their natural habitats. Our patients come from San Francisco, San Mateo, and Santa Clara counties and include hawks, ducks, and geese as well as various songbirds, seabirds, and mammals. We offer numerous educational programs designed to engage and inspire people, while fostering a deep understanding of local wildlife and ecosystems. While rehabilitating animals, we keep human contact to a minimum so as not to imprint prior to release. The Wildlife Care Center houses a new captive breeding program for small, endangered/imperiled native species aimed at developing a self-sustaining wild population for the future.

To volunteer, schedule a tour, book an outreach event, or learn more visit phs-sPCA.org/wildlife or call 650-340-7022. ■

KINDNESS IN THE COMMUNITY

A SPOTLIGHT ON COMMUNITY GIVING

A special thank you to some of the incredible businesses and individuals who gave to our shelter animals in 2024!

18TH ANNUAL GARAGE SALE

On the first Saturday of every October, longtime PHS/SPCA supporter and Auxiliary member Julie Vejmolá hosts her annual Garage Sale. It isn't just any garage sale: she also has a bake sale and creates raffle baskets – raising over \$2,500 last year for our shelter animals! Pictured above is Julie and her pup, Mischa, at last year's sale.

SHELLS FOR SHELTERS

This year, Annika did more than ask for donations in lieu of gifts for her birthday. With the help of her grandma, she visited local beaches to collect sand dollars to clean, dry, paint, and turn into magnets. She raised \$570 at her school's maker fair for our animals! Thank you to Annika and her grandmother for their creativity and kindness to animals.

THE AGENCY

Aleks Parker at The Agency coordinated two huge pet food drives at The Agency's Woodside and Los Altos offices. These donations help support the 500 pets enrolled in the Pet Food Bank Program. Thank you to Aleks and her coworkers for making a lasting difference in the lives of animals.

OWEN, THE BAKER

Owen, a young animal lover, baked and sold hundreds of brownies to raise money for our shelter animals. He dropped off all \$1,100 of his earnings, which he chose to go toward our Pet Food Bank program, and wherever donations are needed most. We are so grateful for all your hard work and dedication, Owen!

CALIFORNIA PIZZA KITCHEN

The California Pizza Kitchen at Hillsdale Mall hosted three fundraisers for our shelter animals. They proved to be the tastiest fundraisers of the year – turning pizza into life-saving funds!

If you or your company or business is interested in hosting a fundraiser for PHS/SPCA, please contact Special Events Coordinator Tatiana Nori at 650-340-7022 x375 or at TMNori@phs-sPCA.org.

AFTER 416 DAYS IN OUR CARE, BRUCE FOUND A FAMILY

FOLLOW BRUCE'S JOURNEY FROM LIFE AS A STRAY, IN FOSTER CARE, AND ON TO HIS FOREVER HOME

A sweet, shy, underweight dog named Bruce arrived at our shelter back in the summer of 2023. He was fully examined by our veterinary staff and given his neuter surgery. Bruce had an adverse reaction to anesthesia during surgery, so veterinary staff ran additional tests to determine the cause. He was diagnosed with Von Willebrand Factor, a blood clotting disorder. While not life-threatening, we made a note so his future adopters would be aware and take the appropriate precautions.

During Bruce's behavior evaluation, our staff observed that he was quite friendly, though a little weary of new sounds and people, and at times overly exuberant in his play with other dogs. They helped him become accustomed to new sounds and people and worked with him to honor cues from his playmates. Bruce gradually became less fearful, learned to understand other dogs' play styles better, and began making more friends!

After some time with us and monitoring by behavior and medical staff, Bruce was made available for adoption. Meanwhile, our behavior staff recommended that Bruce would benefit from a foster environment where he could receive one-on-one attention, have less activity in his surroundings, and perhaps gain some weight.

Our behavior staff identified the perfect foster family and continued to work with Bruce and his fosters on socialization. His foster family took him on outings and hikes to burn his excess energy and reduce his nervousness. He also gained some weight. Bruce's wonderful foster family and regular training by our behavior staff helped him become calmer and prepared him to become part of a family!

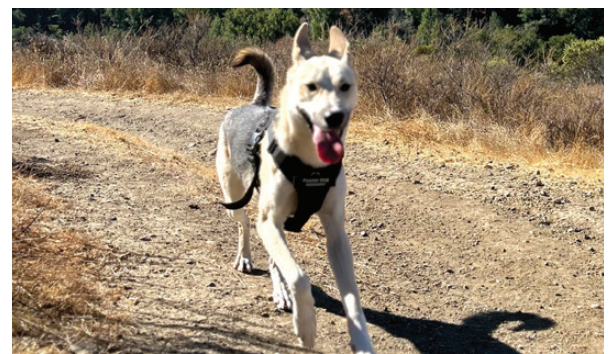

One sunny day in July, Bruce woke up to a big surprise. After 416 days in our care, Bruce's new family came to our shelter to meet him, fell in love, and just like that he found his forever home! Our donor-funded Hope Program made it possible to provide Bruce with the extra medical care, behavior modification, and attention he required. Our Hope Program saves over 180 animals per month. ■

“Every evening, when I go to the kitchen to make dinner, the kitties follow me, and **LOKI** inevitably winds up in the aprons. It’s hilarious! The simplest things can be made entertaining when kittens are afoot!”

“I wanted to show you a picture of **NOVA** (right) on her 1st birthday. She’s getting along great with her sibling, Pearl. They are our world! Best pups ever. Thank you again!”

“**LUKA** was very quick to integrate his paws into the family with his cat and bunny siblings. By day three they were already playing and cuddling. We are so grateful to have them in our lives!”

“**DAISY** is such a sweet, happy girl. She enjoys going on walks, fetching her ball, and playing with other dogs. She has enriched my life so much and I am so grateful to the Peninsula Humane Society for bringing us together.”

YOUR NAME STAYS WITH US Please know that while PHS/SPCA never sells, trades, or in any way exchanges the names and contact information of its supporters and members with other charities or for-profit businesses, many other businesses do in fact offer such information. PHS/SPCA purchases names of possible donors from other charities and for-profit businesses, but that's always a one-way street. For more info, contact Lisa Van Buskirk at 650-340-7022 ext. 327, or LVanBuskirk@phs-spca.org.

- A commitment to excellent customer service

Please continue to bring your fantastic in-kind donations to Treasure Paws Thrift at the same location: 1127 Chula Vista Avenue in Burlingame. You can reach them online at treasurepaws.org.
