15 **Animals Bite & Scratch!** Yep, the animals you'll meet can bite and scratch (and cuddle and lick), which means you must be careful. Since you will be interacting with these animals, you have the potential to get physically hurt. Please be aware that any injuries you suffer while meeting animals at the Peninsula Humane Society & SPCA (PHS/SPCA), are your responsibility that you assume at your own risk. If you are caring for children or other people, by allowing them to accompany you to visit the animals you are agreeing to hold harmless and indemnify PHS/SPCA for any injuries you and/or they suffer as a result of interacting with the animals. Since every animal is different, PHS/SPCA makes no promises regarding the animals' propensity to bite or scratch, and any statements by PHS/SPCA staff regarding the demeanor of the animals are simply opinion based on observation and they are not guarantees.

I certify that all the information in this application is true and I understand that false information may void the adoption and future adoptions from the Peninsula Humane Society & SPCA.
