PHS EDUCATION PROGRAM

Become a PET ASSISTED THERAPY TEAM!

Saturday June 6th | 12:00pm-1:00pm
12 Airport Blvd, San Mateo, CA 94401

Do you and your pet have a special bond and a heart for helping others?

We're looking for friendly, calm, and confident animals, and caring volunteers, to join our Pet Assisted Therapy (PAT) program.

Learn about the training and evaluation process, places our teams visit, and the benefits of pet assisted therapy. You will also meet some of our amazing PAT teams.

PAT animals can include dogs, cats, rabbits, and guinea pigs. Whether you're ready to join or just curious, come learn how you and your pet can bring comfort, joy, and connection to your community.

Registration is free, but you are required to RSVP and spaces are limited.
