PAWLIDAY HELPERS WORKSHOP

Saturday, December 12th from 11:00 am - 1:00 pm

@ 1450 Rollins Road in Burlingame

We're looking for pawliday helpers of all ages to spread a little extra love to the animals in our care! Join us for some festive, hands-on activities to make the season brighter for shelter animals waiting for their forever homes.

TEENS & ADULTS OR CRAFTY PEOPLE: Hand-sew cozy snuggle sacks for our small animals and cats.

KIDS AGES 7+: Make simple, fun toys to keep our shelter animals entertained.

LITTLE HELPERS: Decorate ornaments for our lobby Christmas tree and write letters to Santa on behalf of the animals hoping to find homes this holiday season!

Whether you're crafty, creative, or just want to lend a helping hand, there's a way for everyone to be involved!

All supplies will be provided, and registration is not required to attend.

Delicious milk and cookies generously provided by Santa Claus.
